MSDE - Maryland State Department of Education
Maryland Rebuilds is a Maryland State Department of Education (MSDE) grant opportunity designed to support the

state's child care system in utilizing federal funds to stabilize, strengthen, and sustain the child care system and mitigate the impact from the COVID-19 pandemic. Non-profit organizations, Institutions of Higher Education (IHEs), Local Education Agencies (LEAs), Local Early Childhood Advisory Councils (LECACs), Judy Centers, private child care providers, and public prekindergarten programs are eligible to apply for funding depending on the high-leverage strategy.

Applicants are required to attend at least one General Information Session prior to completing and submitting the application. These sessions provide an overview of the Maryland Rebuilds grant program, requirements, and how to apply.
