KEYNOTE SPEAKER

Rob Watson Jr., - EdRedesign Lab

Join us to kick off the conference with a keynote address from Rob Watson Jr., the Director for Partnerships and Community Impact at the EdRedesign Lab and Secondary Lecturer on Education at the Harvard Graduate School of Education.

At EdRedesign, Rob leads the By All Means Communities of Practice initiative, supporting communities across the United States develop cradle-to-career systems of opportunity that promote pathways to educational attainment and upward mobility for children, youth and families. His work has focused on themes of civic engagement, community development, poverty elimination and educational equity in the US, Latin America and Africa.

CAP TOOLS

The Public Health Emergency is Ending: Now What? | CAPLAW

President Biden's administration **announced** that the federal public health emergency and national emergency related to COVID-19 will expire on May 11th.

Take this time to talk with your teams to understand the effects on your agency programs. Operations, governance, and fiscal flexibilities that CAAs may have had during the COVID-19 pandemic may shift.
