PRACTICAL RESOURCES ON HOMELESSNESS

NATIONAL ALLIANCE TO END HOMELESSNESS

The Alliance has released the [State of Homelessness: 2023 Edition](#). The new report provides an overview of homelessness on a given night in 2022, and analyzes trends based on subpopulation, shelter status, state, and Continuum of Care. Access the interactive dashboard to see stats by location, race or gender. See new risk factor features and learn more about current trends!
